

Daniel Ortiz

PROFILE

Seeking to provide commercial drone pilot services to Aiken County and the CSRA. I strive to enable real estate agents, engineers, law enforcement, insurance brokers, attorneys, and the general public with the best aerial photography using the most advanced technologies and techniques. I take pride in professionalism, effective communication, and punctuality because the people I serve, also serve others. I'm Federal Aviation Administration (FAA) Part 107 Certified and live in Graniteville, SC.

EXPERIENCE

SENIOR ENLISTED SOLDIER – 1999 TO PRESENT

Currently serving in the US Army as an Intelligence Analyst and designated as a Platoon Sergeant supervising thirty five Soldiers at Fort Gordon. Daily tasks include supervising the workforce, Operational Risk Management Leader, National Security investigations, data analysis and writing intelligence reports. I have four combat deployments to the Middle East and several short tours to Europe, Asia, and Africa. I will retire in 2023.

DRONE PILOT EXPERIENCE – 2018 TO PRESENT

I have been flying the DJI Mavic series drones since 2018 for recreational purposes. Experienced in post production editing and cinematic production. Have flown remote aircraft in several countries and have not crashed or lost an aircraft. Specializing in autonomous flight modes, technical, and movement tracking. Will comply with all FAA, local and safety regulations. Sole proprietor of Cicada Camera Aerial Photography.
